Action Required for Your SSL Certificate

Hi Anthony,

We cannot begin the validation process for your SSL Certificate listed below because we have not received all of the required information. Please note that your SSL Certificate cannot be validated or issued until you provide this information.

SSL Certificate Details:

- Service: SSL Certificate (Basic) for [CZARNIKPUBLICATIONS.COM](#)
- Term*: 1 year(s)
- Purchase Date & Time: 2026-07-05 01:03:30.0

How To Provide The Missing Validation Information:

1. Log into the [Account Manager](#)
2. Click on **My Security Products** in the **My Products & Services** tab to be taken to a page listing the details of your SSL Certificate. If you have more than one SSL Certificate in your account, please click on a package name to see the details for each SSL Certificate.
3. Click on the **Provide Validation Info** link.
4. Enter or confirm all required information and click **Submit**.

Once we have the remaining information, we will immediately begin the validation process for your SSL Certificate.

If you have any questions or need assistance, please click [here](#) to get online support.

Best Regards,
The Network Solutions Team
